

Delivery Price Schedule for Buller Electricity Limited

Effective from 1st April 2024

This schedule lists the wholesale prices used to charge electricity retailers for the delivery service Buller Electricity Ltd (BEL) provides. This service includes the transmission and distribution of electricity but does not include the cost of the electricity itself. Please refer to your electricity retailer for details of retail electricity prices.

Consumers that have questions regarding their delivery charges are invited to call Buller Electricity on (03) 788 8171, or email energy@bullernetwork.co.nz.
