Community Group of the Year

The community group of the year award recognises community groups and organisations for their achievements and contribution to their communities. These groups share a strong sense of community spirit and play a vital role in the social, cultural, environmental or economic prosperity in the Buller district. The aim of the award is to recognise these groups as their efforts make our communities stronger, more vibrant and promote community spirit.

The judges will consider the following when considering the nomination:

- Include a profile of the community/group or organisation and the services provided
- Describe who has benefited and benefits from the results of the work of this community/group or organisation
- Outline the group structure ie trust, company, cooperative, membership based etc.
