YOUNG SPORTSPERSON OF THE YEAR

In comparing performances, the judges shall adhere to the following scale of ranking except in exceptional circumstances:

- 1 Performance at national level ranks above performance at provincial level.
- 2 Performance at international level ranks above performance at national level.
- 3 Performance at international level may be compared through consideration of the international status of the sport eg a sport in which 60 countries are of elite international standard shall be considered ahead of one where only five countries are of elite standard (where performances are otherwise equivalent).
- 4 In general, a performance at international elite level by an individual shall outweigh a performance of similar standing for which an individual team member has been nominated. (Team pertains to a team sport performance.)
